

Yellowstone Guide

Tour Offering: Photography Tour

This tour focuses on capturing the beauty of Yellowstone with the camera, with a main focus on wildlife, without ignoring the geographic features. Possible places to visit are the renowned Lamar Valley, and a trip over Dunraven Pass to Hayden Valley and the Yellowstone Lake area. The itinerary is based on recent wildlife activity, which is monitored daily.

The price for the 8 hour tour is \$599.00, with a maximum of 3 adults. For an additional \$299.00 the tour can be extended to a sunrise to sunset tour.

Wildlife sightings are not guaranteed. All park rules apply: 100 yards from wolves/bears and 25 yards from all other wildlife.
